

Hessle Sporting Club FC

Sponsorship & Investment

Introduction

Hessle Sporting was born in 1976 and has for 35 years been a supplier and supporter of football in the Hessle area, becoming one of the best known clubs not only in the region but also in the North of England.

To help evolve our enormous growth we are searching for pro-active sponsors to work with us in developing a partnership we can both be proud of.

From the humble beginnings of the East Riding Amateur League our senior side now ply their trade in the Humber Premier League and the club committee has an ambition to take the senior team as high as possible giving our twenty plus junior teams something to aim for when they reach adult age.

We urgently need help and would be so grateful if you could take the time to talk with us with regards to sponsorship for this team.

We understand that times are hard but as a club we pledge to support like minded companies in whatever way we can to ensure that we both see benefits.
